Question: 15

When configuring a job posting, what does the Expected New Employees field do?

The screenshot shows the Odoo Job Posting configuration interface. At the top, there are tabs for 'STOP RECRUITMENT', 'RECRUITMENT IN PROGRESS', and 'NOT RECRUITING'. The 'RECRUITMENT IN PROGRESS' tab is selected. Below the tabs, there are several icons and labels: '0 Job Applicati...', '0 Documents', 'Trackers', and 'Go to Website'. The main section is titled 'Job Position' and 'Consultant'. There are two tabs: 'Job Description' and 'Recruitment'. The 'Recruitment' tab is active. Below the tabs, there are several fields: 'Company' (I Value Solutions), 'Website', 'Department' (PMO), 'Job Location' (I Value Solutions), 'Expected New Employees' (1), 'Is Published' (checkbox), and 'Recruiter'. The 'Expected New Employees' field is highlighted with a blue box.

- A. Sets a limit and automatically blocks recruitment once it is reached
- B. Sets a minimum, and prevents you from halting recruitment for that position if that number is not reached
- C. None of the above

Answer: C
